

Chemetal #151 Black Magnetic Chalkboard

“I’m very attracted to you.”
Chemetal introduces new Magnetic Laminates.

Watch the Magnetic Laminate video at chemetal.com.

The attraction is magnetic with new Magnetic Laminates from Chemetal. The company recently introduced a collection of 8 laminates can be used to create fun and functional communications areas in almost any interior setting. To create, a thin layer of iron foil is sandwiched in the laminate backer.

Chemetal #152 White Gloss Magnetic Dry Erase

In addition to magnetism, each magnetic laminate has it’s ideal feature including dry erase marker, chalkboard, image projection and custom. The custom magnetic board can be painted or surfaced with select Chemetal designs. Magnetic laminates are available in 4 x 8 foot sheets. Visit chemetal.com to watch the Magnetic Laminate video and learn more.
