**CHEMETAL®**

# 2023 New Designs

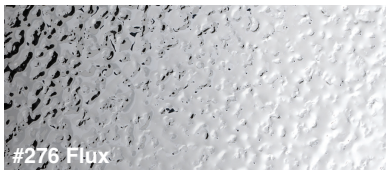

---

**There's a lot that's new from Chemetal in 2023.** We've added value and trending designs to Chemetal's already massive collection of metal designs and laminates.

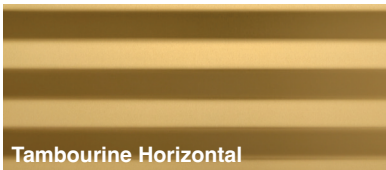

**#722 Brushed Light Bronze Alum.**

Trending light bronze HPL metal.  
4' x 8' sheet size.

**#276 Flux**

Popular water effect design in HPL.  
4' x 8' sheet size.

**Tambourine Horizontal**

Embossed "tambour" design. Lines run width of sheet creating more contrast. Available on any solid metal design. 48" x 94" sheet size.

**#700 Bright Aluminum**

Economical HPL version of Chemetal #701. 4' x 8' / 4' x 10' sizes.

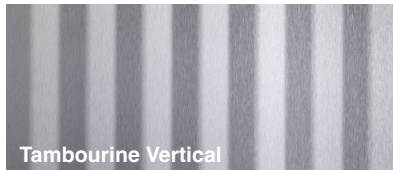

**#626 Magnus Aluminum**

Fineline brass design, in 4' width. Solid Aluminum. 4' x 8' sheet size.

**#277 Flux Smoked**

Smoked water effect design. 4' x 8' sheet size.

**Tambourine Vertical**

Embossed "tambour" design. Lines run length of sheet. Available on any solid metal design. 47" x 96" sheet size.
