So beautiful you'll want to frame it.

And you can. Transparency and Carve offer an optional aluminum frame system for panels that is ideal as a freestanding room divider, hanging frame or affixed to banquettes. Can be any powder coat color in line. Cut-to-size and custom colors available.

Your metal design team. Standard is the starting point. Chemetal can design and fabricate panels to meet the project requirements and maintain design intent, including custom patterns/color, cut-to-size, and site specific install solutions. Email sales@chemetal.com to get started.
